Starting the game:

Before the game starts you will be asked to choose between one and two player mode and the size of the map.

when you made your choice the snakes will greet you with a dance

To cancel the dance and start the game:

PRESS SPACE!

How to play:

Snake can be played either alone or with a friend.

Objectives:

1 player:

Get as much points as possible.
Points are gained by eating food.
Each food item gives 10 points.
But beware!
Eating makes the snake longer.
Crash into yourself and you die!

If your snake travels through the edge of the map, it will come out on the opposite side

2 players:

Same rules apply as for 1 player.
But watch out!
another snake is slithering about,
If you crash into it you will die!
If it crashes into you, it will die!
Last surviving snake wins!

Headbutting:

If two snakes crash into each other head to head, the biggest snake wins.
If the snakes are of same size, they will each make a left turn.
